Chennai, 20 January, 2012: Polaris Financial Technology Ltd. (POLS.BO), a leading global Financial Technology company, today announced the third quarter results for FY 2011-12.

Key Performance metrics

For the quarter ended December 31, 2011, Revenue grew by 43% Y-o-Y to Rs 572.53 crore from Rs 399.90 crore and 12% Q-o-Q from Rs 509.74 crore. Operating Profit (EBITDA) grew by 33% Y-o-Y to Rs 85.31 crore from Rs 63.91 crore and 13% Q-o-Q from Rs 75.53 crore. Profit after Tax (PAT) grew by 22% Y-o-Y to Rs 61.07 crore from Rs 50.13 crore and 13% Q-o-Q from Rs 53.94 crore.

The Board of Directors recommended an interim dividend of Rs 2 per share (40%) on the equity share capital of the company for fiscal 2011-12.

Highlights for the quarter ended December 31, 2011

- Product revenues grew 69% to Rs 157.66 crore, up from Rs 93.17 crore during the same quarter last year; 13 new Intellect wins across Banking and Insurance were recorded in the quarter
- Services revenue grew 35% to Rs 414.87 crore from Rs 306.73 crore during the same quarter last year
- Quarter revenues were well distributed with Americas contributing 44.87%, Europe 22.97%, IMEA 11.22% and Asia Pacific 20.94%
- Cash and cash equivalents stood at Rs 419 crore at the end of the quarter
- Polaris bagged a \$ 20 million deal with a leading global bank with presence in over 25 countries
- Excluding foreign exchange other income impact, operating profit grew by 101% Y-o-Y to Rs 105.52 crore from Rs 52.39 crore and to 70% Q-o-Q from Rs 62.15 crore

Intellect Business

Polaris' Intellect registered 13 wins during the third quarter and Intellect sales contributed to 28% of the quarterly revenue. Intellect revenues grew 69% Y-o-Y to Rs 157.66 crore from Rs 93.17 crore during the same quarter last year. The wins were well distributed across all geographies with US leading the mature market growth story

One of the largest American multinational banking and financial services corporation serving clients in more than 150 countries has trusted Polaris Intellect solution.

A highly diversified North American financial services organization with more than 47,000 employees and a broad range of retail banking, wealth management and investment banking products and solutions has chosen Polaris' Intellect HUB Technology in a multi-million dollar deal.

One of the largest banking and financial services organizations in the world headquartered in London with presence in over 80 countries across the globe has gone live with Polaris' Intellect Cash Concentration Solution to service its business customers in 22 countries.

A leading global bank with presence in over 25 countries providing a range of banking and financial products and services to around 8 million customers worldwide signed a \$ 20 million deal with Polaris.

An Apex development bank in India, National Bank for Agricultural and Rural Development (NABARD) chose Polaris' Integrated Intellect Lending Solution in a mutli-million dollar deal comprising Loan Management and Accounting modules to be the bank's new Centralized Loan Management and Accounting System across the bank's head office and regional offices.

Polaris sets its footprint in the Himalayan Kingdom of Nepal by going live at Social Development Bank (Nepal) with Intellect Core Banking Solution.

The largest development bank with the third largest branch network of 253 branches in Sri Lanka chose Polaris' Intellect Core Banking Solution.

FT Sourcing (Managed Services)

Polaris recognises each line of business is a specialised service with unique tools and procedures, thus enabling the company to drive maximum sourcing efficiencies, through both standardised and custom solutions. Our integrated FT Sourcing services helped achieve maximum optimization for our clients' business needs.

One of the oldest financial institutions in the United States with operations in more than 60 countries has chosen Polaris for its Project Management Process Re-engineering services.

One of the most successful IT company in Northern Ireland delivering the highest quality software development services and business process outsourcing solutions has signed a deal with Polaris to implement Oracle database services, thus streamlining its transformation program.

Business Highlights

During the quarter, Polaris signed a Joint Venture Agreement with Sonali Bank Ltd., the largest Nationalized Commercial Bank in Bangladesh to form Sonali Polaris Financial Technology Ltd

(SPFTL) where Polaris will hold a 51% stake. In July 2011, the company had signed a MoU regarding the same. This JV will create significant job opportunities in the local market.

The company signed an agreement to acquire the balance 49% equity shares of Indigo TX Software Private Limited from its shareholders to merge the company with Polaris. Polaris had acquired 51% equity shares of Indigo TX in March 2010.

IdenTrust continued its growth in the ECA business during the quarter and bagged a significant Identity Solutions deal with Rite Aid, one of the leading drugstore chains in the US with approximately 4,700 stores in 31 states and 91,000 associates.

With the inauguration of Polaris' Chicago office, the company has expanded its sales footprint in the Midwest, thus being closer to its clients. This facility with its immense potential for expansion will help enhance the breadth as well as depth of our work, improve client relationships and boost our delivery model thus enabling us to strengthen our foothold in the region.

Awards and Recognition

Polaris has consistently been recognized and awarded by analysts and other influencers. Listed below are some of the recognitions we received in the last quarter.

- Polaris received a marquee ranking among "**Major Contenders**" in **Everest Group's PEAK (Performance, Experience, Ability, Knowledge) matrix report on Capital Markets Application Outsourcing (AO) Providers**. Polaris Capital Markets positioning was among the top 10 in the global perspective
- Mr. Arun Jain, Chairman and CEO, Polaris Financial Technology Ltd. addressed the **17th Anniversary Lecture at Central Bank of Seychelles as a Guest Speaker**. Mr. Jain shared the dais with His Excellency, Mr. James Alix Michel, President of the Republic of Seychelles, Mr. Pierre Laporte, Governor, Central Bank of Seychelles and Mr. Benstrong, Chairman, Seychelles Bankers Association and Managing Director, Seychelles Savings Bank
- **Polaris' Intellect** was identified as one of the leading **Payment Solution Vendors in the Non-Cash Payments Market by Aite**
- **Forrester's** Cloud specific report titled "**Off-The-Shelf Banking Platforms**" stated Polaris to have "Application in the cloud with clients" and rated **Polaris' Intellect** amongst the top 3 global vendors
- **Celent featured Polaris' Mobile Application (iPhone & iPad) expertise** in a case study on Mobile Technology for Life Insurance Producer's titled "**Is it a fad or the future**"

Arun Jain, Founder, Chairman & CEO, Polaris Financial Technology Limited said, “We are moving from country-specific deals to regional country roll-out deals. The top 20 global banks have started recognizing the large-scale programme management of Polaris with single point accountability and capabilities of the Intellect suite. We have won the fourth large deal of this nature that spans over 20 countries from top global banks.”

“On one side, these deals provide sustained revenues over a 10 year period, while simultaneously providing Polaris with excellent referenceable sites which is crucial for penetrating into large transformational deals. Our strategy of leveraging Intellect to expand the services business is working very well. We are geared up for exciting times ahead,” added **Mr Jain**.

Govind Singhal, President & COO, Polaris Financial Technology Limited said, “Polaris’ focus on building, maintaining and expanding highly complex Financial Technology infrastructure through our products and services requires well-knit service delivery capabilities. Our ability to execute complex transformational projects has been enhanced multifold because of continuous investments in building superior frameworks and tools.”

Ramaswami SR, CFO, Polaris Financial Technology Limited said, “We are sustaining the growth in operating margins inspite of the uncertain economic environment. Managing the currency volatility will be a challenge, but with a clear business strategy in place and at the rate of Rs. 52 we are confident of meeting our earnings guidance.”
